

Gear up for the CMH 5K: Taxiway takeover edition

The countdown is on! Our favorite annual event, the CMH 5K Run & Walk, is happening on Saturday, September 14. This year, we're switching things up with a unique "taxiway takeover" due to ongoing construction, which is paving the way for the new terminal. Same great fun, just a slightly different route!

We have been busy planning another great race, which supports Honor Flight Columbus. Here's what you can look forward to this year:

- Fuel up with delicious donuts and coffee from Donna's Delicious Dozen.
- Strike a pose at the photo booth.
- Enter for a chance to win a roundtrip flight for two with Breeze Airways.

Ohio IDs go digital

Ohio is making travel a breeze! Your driver's license or state ID is now available in your Apple Wallet. No more frantic searches at the TSA checkpoint – just a quick tap of your phone and you're ready to go. Ohio is paving the way for digital identification, making your journey smoother from the very start.

CMH is building for the future

Exciting changes are underway at CMH! We're making significant progress on enabling projects to prepare for our new terminal.

You may have noticed the Taxiway C relocation and the Red Parking Lot expansion. These are key steps in creating a first-class airport experience for all our passengers. Stay tuned for more updates as we get closer to breaking ground!

A look at our operations

Aircraft tires leave behind rubber deposits that can affect runway safety. So, how do we keep our runways in top shape?

Our crews use specialized equipment to blast away rubber buildup, ensuring optimal friction and a safe landing for every flight. Check out this mesmerizing video on our [Instagram](#) and [TikTok](#) to see the process in action! It's just one of the many ways we work behind the scenes to keep your travels smooth.
