

## New routes have officially launched!

June was the month of new routes! We're saying hello to these latest destinations:

- Salt Lake City via Delta Air Lines
- San Diego via Southwest Airlines
- Kansas City via Southwest Airlines

And, we're excited to have added a new airline option to these cities:

- Boston via Spirit Airlines
- Newark via Spirit Airlines

In addition to the route launches, TSA officials are expecting this to be the busiest travel season ever. With many more taking to the skies, be prepared with tips to keep your travels moving smoothly.

## New developments taking place

Have you noticed the new fencing between the rental car center and hotels? It's all part of the exciting transformation happening behind the scenes!

Construction is underway in various locations across the airport property in preparation of a new terminal. Stay tuned for updates on this exciting development!

## Honoring the Tuskegee Airmen

To celebrate the legacy and contributions of the Tuskegee Airmen, who called Rickenbacker home from 1946-48, a mural painted by local artist Adam Hernandez is now on display at Rickenbacker International Airport.

Visit the mural, which resides next to the Air Traffic Control Tower, accessible by the cell phone waiting lot.

## Keep cool while traveling this summer

Pro tip for traveling during the hot months (and even beyond): pack your reusable water bottle and stay hydrated! We have convenient filling stations located in each concourse.

Here are a few more tips for staying cool:

- Give yourself extra time. Rushing can result in overheating.
- Apply sunscreen (yes, even on the plane).
- Wear loose-fitting clothing to allow for better air circulation.
