

## Breaking records: Our busiest summer yet!

This summer, 2.58 million passengers passed through Columbus airports, marking a new milestone in our history! Were you among them?

- June and July set all-time records as our busiest months ever, while we also had the busiest August to-date.
- Fun fact: We averaged 134 daily departures from June through August.
- We've also broken records in seven of the first eight months of the year – things are heating up over here!

## Get ready for Thanksgiving travel

The busy holiday season is right around the corner! If you're traveling through our airports this Thanksgiving, be prepared for higher traffic and longer lines.

Arrive at least 90 minutes before your flight, have a parking plan, and stay updated on your flight status. And don't forget, pies and cookies are allowed through TSA!

Let's make this holiday season smooth and stress-free.

## Travel with ease: Accessible services for all

We're committed to providing an inclusive travel experience. From accessible parking to wheelchair assistance, nursing rooms, family restrooms, and the Aira support for visually impaired travelers, we ensure comfort and convenience for everyone.

Next extra assistance? Our Journey Care Kits and the TSA Cares program are available to assist those with visible and hidden disabilities.

## Grab a bite or shop before you fly

Hungry before your flight? Check out our range of dining options to satisfy your cravings, from snacks to quick meals.

Explore our shops for last-minute travel essentials and unique finds, including products from local artisans. It's a convenient way to grab a little something special for the road!
